## Recruiters of the month

Although the big ride for Team Drummond is seven months away, a few people start early every year!

Cherise, Kevin and Brent

Cherise Mlott (pictured with Kevin and husband Brent) have gone off the front of the pack and are recruiting new riders for the 2010 season. The #1 on her handlebars for the past 2 years shows her commitment.

This year, Team Drummond has our eyes on the prize of **fielding 125 riders and raising \$100,000**. If you

have friends who you think would be a good fit to join us in our mission of fighting MS and having a lot of fun doing it, reach out to one of the team captains for details on how to sign them up! This week (Mar. 8 - 12th) is **Nat'l MS Awareness Week**. It's a great time to get people involved in the fight against MS.

## NMSS Deloitte Atlanta - Athens

Registration is still open for the inaugural 2010 Atlanta to Athens BikeMS ride. The field is limited to 500 for the first year, and we're sending a small team of riders. The route is 75 miles each day and it will be a challenge this early in the cycling season, but with scheduled training rides, we'll see Team Drummond enter Athens like Greek heroes returning triumphantly from battle!

## Everything old is new again

Folks, Facebook seems a lot like disco – it's goofy, but everybody's doing it. It's great for staying in touch, so please find our **Facebook fanpage** and become a fan, so that you can keep up the pack this year!

Our website is in the final stages of revision for the 2010 season. You can still watch some videos of past years at [www.biketeamdrummond.com](http://www.biketeamdrummond.com)
