

## Bike MS Deloitte Atlanta - Athens April 10th and 11th, 2010

Braving a short training season and a really, **really** cold winter, Team Drummond will send seven riders to the start line for the inaugural Bike MS Deloitte Atlanta to Athens event. If you want to cheer our riders at the start line, be at Georgia State University by 8am on Sat. April 10th. There are still even a few spots left if you've got the legs for it! For a complete listing of activities both here in Atlanta and in Athens, visit:

## Training Rides Schedule

Join Team Drummond for some training rides coming up in the next few weeks. This Saturday, April 3rd we'll ride the "Share the Road"

*Every lane is a bike lane*

route out of Atlanta Cycling all the way out to Serenbe and back. Meet at Atlanta Cycling on Cobb Parkway around 8:30am for a 9am sharp rollout. Different ride lengths and paces will have leaders, so bring water and nutrition. This will be the last chance for the Atlanta to Athens riders to get in some serious miles.

The next Serenbe training ride will occur on Saturday, May 1st at 9am. It's finally warming up, so we'll look for more riders to make it down to Palmetto for fun and fitness. If you haven't ridden out of Serenbe yet, you don't know what you're missing! Send an email to Chris@[biketeamdrummond.com](http://biketeamdrummond.com) for more information.

## Serenbe Century

Mark your calendar for Saturday, May 22nd for the first annual Serenbe Century to benefit Team Drummond. Presented by our friends at CHAOS (Chattahoochee Hills Active Outdoor Sports), this inaugural fundraiser will draw riders of all skill levels to ride the famous "silk sheets" area of Fairburn and Palmetto, Georgia. Serenbe will be the Start/Finish with short routes and rest stops provided. We'll make sure it's the kind of ride that Team Drummond does best!!!

## Sweetwater Social

Join your friends at the NMSS-GA chapter on Tuesday, April 6th from 6 - 9pm at the brewery. Catered by Talk of the Town and fueled by that famous Sweetwater brew, these gigs are always a good time! Register: <http://mssocietysweetwater.blogspot.com/>

Our website is closer than ever to being built for the 2010 season. You can still watch some videos of past years at [www.biketeamdrummond.com](http://www.biketeamdrummond.com)
